### PROFESSIONAL SUMMARY

Passionate and dedicated Computer Science Engineering student with a strong foundation in programming, software development, algorithms, and problem-solving. Proficient in multiple programming languages with a keen interest in AI, systems engineering, and software development. Seeking opportunities to apply technical skills and contribute to innovative technology solutions.

### TECHNICAL SKILLS

- Programming Languages: C, C++, Python, Java (Basics), JavaScript (Basics)
- Databases: MySQL (Basics)
- Web Technologies: HTML, CSS (Basics)
- Core Concepts: Data Science (Basics), Computer Networking, Operating Systems
- Soft Skills: Problem-Solving, Analytical Thinking, Team Collaboration

### PROJECT EXPERIENCE

#### OTP Verification (Console-based)

- Secure user verification using randomly generated OTP via email
- Technologies Used: Python, smtplib, MIME multipart, MIME text, Random

#### University Management System (Console-based)

- Simulates a college management system for managing students, teachers, and college details
- Technologies Used: Python (IDLE), Object-Oriented Programming (OOP)

#### Data Validation and Automated Email Sender

- Validates user data using regular expressions and automates email communication
- Technologies Used: Python (Google Colab), smtplib, email.mime, re, time

#### Web Scraping for Product Data

- Extracts and organizes product data from webpages
- Technologies Used: Python, requests, BeautifulSoup, pandas, Google Colab

#### Virtual Voice Assistant

- Implements voice commands for automated tasks
- Technologies Used: Python, Speech Recognition, pyttsx3, Web Browser Module, Microphone Input

## EDUCATION

- Bachelor of Technology in Computer Science Engineering
  - Kakatiya University, Telangana, India
  - Expected Graduation: 2025
- GPA: 8.37
- Intermediate (MPC)
  - Kakatiya Junior College, Telangana, India
  - 2019 – 2021 | GPA: 86.6
- Secondary School Certificate (SSC)
  - Telangana State Model School, India
  - 2019 | GPA: 8.7

## LANGUAGES

- Telugu (Native)
- English (Fluent)
